

# ENVIRONMENT, HEALTH & SAFETY

Brand Energy & Infrastructure Services embraces an uncompromising commitment to protecting the environment and preserving the safety, health and wellness of our employees, customers, other contractors and the public. Through steadfast cooperation and consultation with our employees, Brand is committed to ensuring everyone's right to work in a safe and healthy environment is realized. Our culture of caring will inspire the establishment of safe and healthy work environments, the promotion of safe behavior and the proactive elimination of hazards.

## Our Company is committed to:

**Enabling excellent EH&S performance from our employees by providing specialized training, proper equipment and industry-leading procedures.**

**Empowering employees to ensure Brand provides safe products and services to our customers, to participate in our EH&S successes, and to reinforce safe work practices and behaviors.**

**Observing and auditing our workplaces and human performance, including reinforcing positive behaviors and intervening as needed to ensure EH&S objectives and ideals are achieved.**

**Monitoring our EH&S performance, using leading and lagging indicator data, trend analyses, employee input, health & safety committee feedback and industry best practices.**

**Communicating our EH&S performance results, corrective actions and preventive measures to employees, customers and other stakeholders.**

**Improving our EH&S Program and processes continuously to maintain Industry-leading performance.**
